

Part number

# CX 3.0 MPQF

Female pneumatic metal contact, straight, quick-fitting, without shut-off valve, outer diameter 3 mm

| Product description          |                                                                        | Material properties       |                                                                                |
|------------------------------|------------------------------------------------------------------------|---------------------------|--------------------------------------------------------------------------------|
| Product type                 | Pneumatic contact                                                      | Main material             | Nickel plated brass                                                            |
| Gender                       | Female                                                                 | Other materials           | Polyamide (PA)                                                                 |
| Specification                | Straight, quick-fitting<br>Without shut-off valve, outer diameter 3 mm | RoHs conformity           | Compliant with exemption 6(c): copper alloy containing up to 4% lead by weight |
