

Part number

# MSZ 24 VG

Complete connector, CSZ series, composed of 2 spring terminal connection inserts with 24 poles + PE, and hoods with top cable entry and closing with 2 levers

| Product description             |                                                                                              | Material properties          |                                                       |
